Unique:

The **BMI**meter blade is designed so that it actually rolls out on its own!

Benefits:

- white lacquered, stainless steel tape
- totally waterproof
- unbreakable, durable
- EC class II accuracy (± 0.9 mm/2 m – a wooden ruler is 2.2 mm/2 m)
- compact, light and handy
- perfect for use as a ruler
- tape lies straight to draw lines or make precise measurements
- first of its kind!
- **Made in Germany!**

The BMI-Quicky, sold by hundreds of thousands, has been further developed and is now called **BMI**meter.

The main changes:

- **BMI**meter has a tape stop!
- **BMI**meter is available in 2 m and 3 m!

A completely unique precision tape measure and ruler in one!
