

# KNIPEX Modular X18 – Tool backpack

Your reliable partner for every job: transport up to 15 kg of tools and accessories in the backpack

# KNIPEX Modular X18

Light, flexible and unique: The modular tool backpack for all those who make no compromises in their work

- ▶ Fits you and your tools: practical and comfortable due to fully hinged front and back, removable tool board and padding for your back
- ▶ As individual as you are: optimal flexibility due to innovative FIDLOCK® connectors and MOLLE webbing
- ▶ Fit for any challenge: with two separate inner compartments for tools, measuring instruments, notebook or tablet
- ▶ Durable fabric made of sustainable recycled synthetic fibers, splash-proof and easy to clean
- ▶ Waterproof molded bottom made of impact-resistant plastic for a secure upright position when opened and closed, 6 cm high
- ▶ One MOLLE strap on the inside and four MOLLE straps on the outside for attaching any adapters, carabiners and accessories
- ▶ FIDLOCK® connections are fastened or unfastened in no time at all
- ▶ A total of 21 retaining loops and 37 pockets, some with zips
- ▶ Luggage strap for fixing to telescopic handles of tool cases
- ▶ 50 x 35 x 25 cm (H x W x D), empty weight 2.9 kg, tested load capacity up to 15 kg

Separate laptop compartment

Removable, half-height tool panel

FIDLOCK® connector to reinforce the support system

FIDLOCK® adapter with fabric loop

Over 50 tool holders, you can store up to 15 kg of tools neatly, reliably and always within easy reach.
