Tool case "Robust26 Move"

Transports your tools safely and easily to the workplace

Tool case "Robust26 Move"

For demanding jobs: lots of tools, easily transported

- ▶ Ready when you are: for the toughest conditions – impact-resistant polypropylene, dustproof, waterproof and temperature-resistant
- ▶ Hard work becomes smart work: maximum flexibility due to 19 tool pockets and 61 retaining loops as well as adaptable aluminium divider system
- ▶ Convenient when you are on the move: fit-to-fly, with extendable handle and easy-running wheels for more comfort

- > Fit-to-fly case, made from impact-resistant polypropylene
- > Dustproof and watertight
- > Air pressure compensation valve
- > Temperature-resistant from - 30°C to +80° C
- > Padlock eyelets
- > Document compartment; tool boards made from dirt-repelling twin-wall PP sheet with tool pockets and tool straps
- > Lockable base tray can be individually divided using aluminium separator system
- > Ergonomic dual-component handle
- > 19 tool pockets and 61 retaining loops

The telescopic handle turns the case into a trolley: simply pull the heaviest tools!

Pressure valve for ventilation and nameplate for individual identification.

Secure fixing of the tool board prevents tools from falling out of the base.

Bottom tray with aluminium dividers for custom layout and magnetic recesses to secure small parts.

Perfect for teams too: several tool cases stack together.
